We, the Seniors, would like to dedicate this year-book to a person who holds the respect of all the school. We would like to express our thanks for unending friendship and guidance by dedicating the 1977 AERIE to you, Mr. Newman.

Many things describe a feeling or character trait. A lion symbolizes a powerful person who is always in charge - a king. A rock symbolizes a strong, stubborn individual. In this AERIE, we have related the various sections to different forms of nature and things constructed by man which blend with nature.

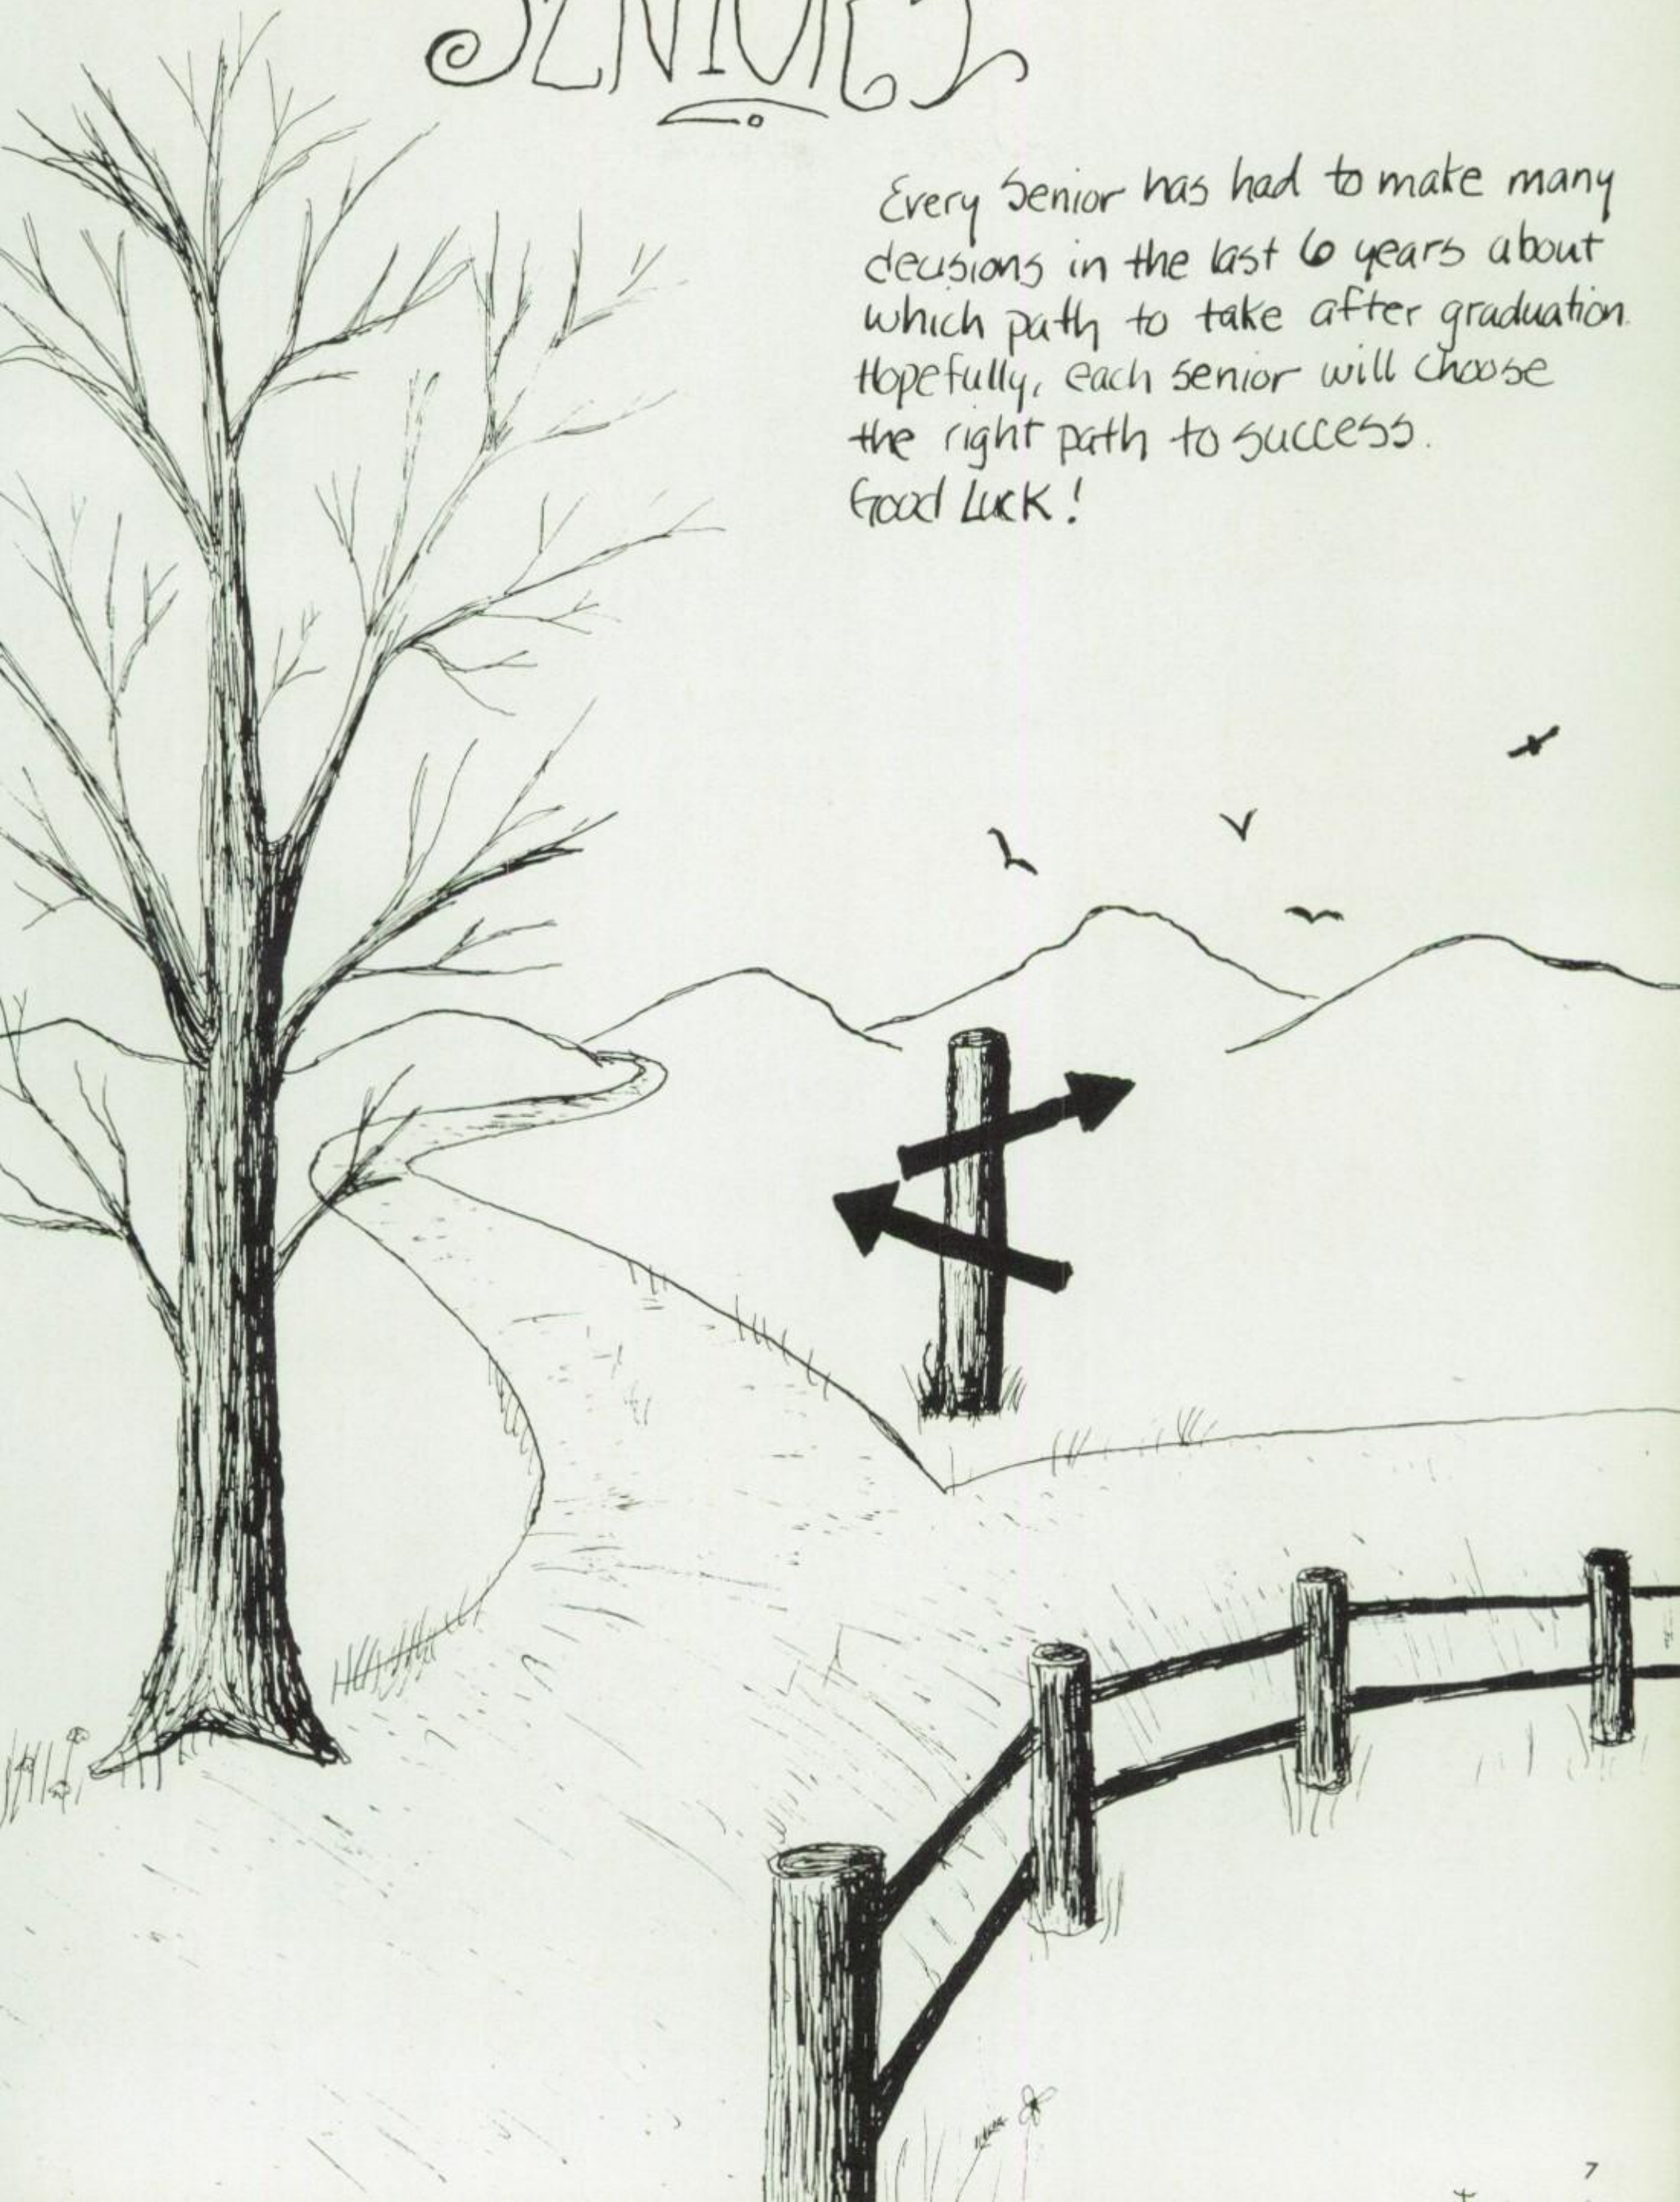

The students and faculty of Mt. Abraham were privileged to have Raul Martinez sent to us from Mexico this year. Raul has been a pleasant addition to the school with his quick smile and friendly personality. We all hope that he had a wonderful time here and that he takes back many happy memories.

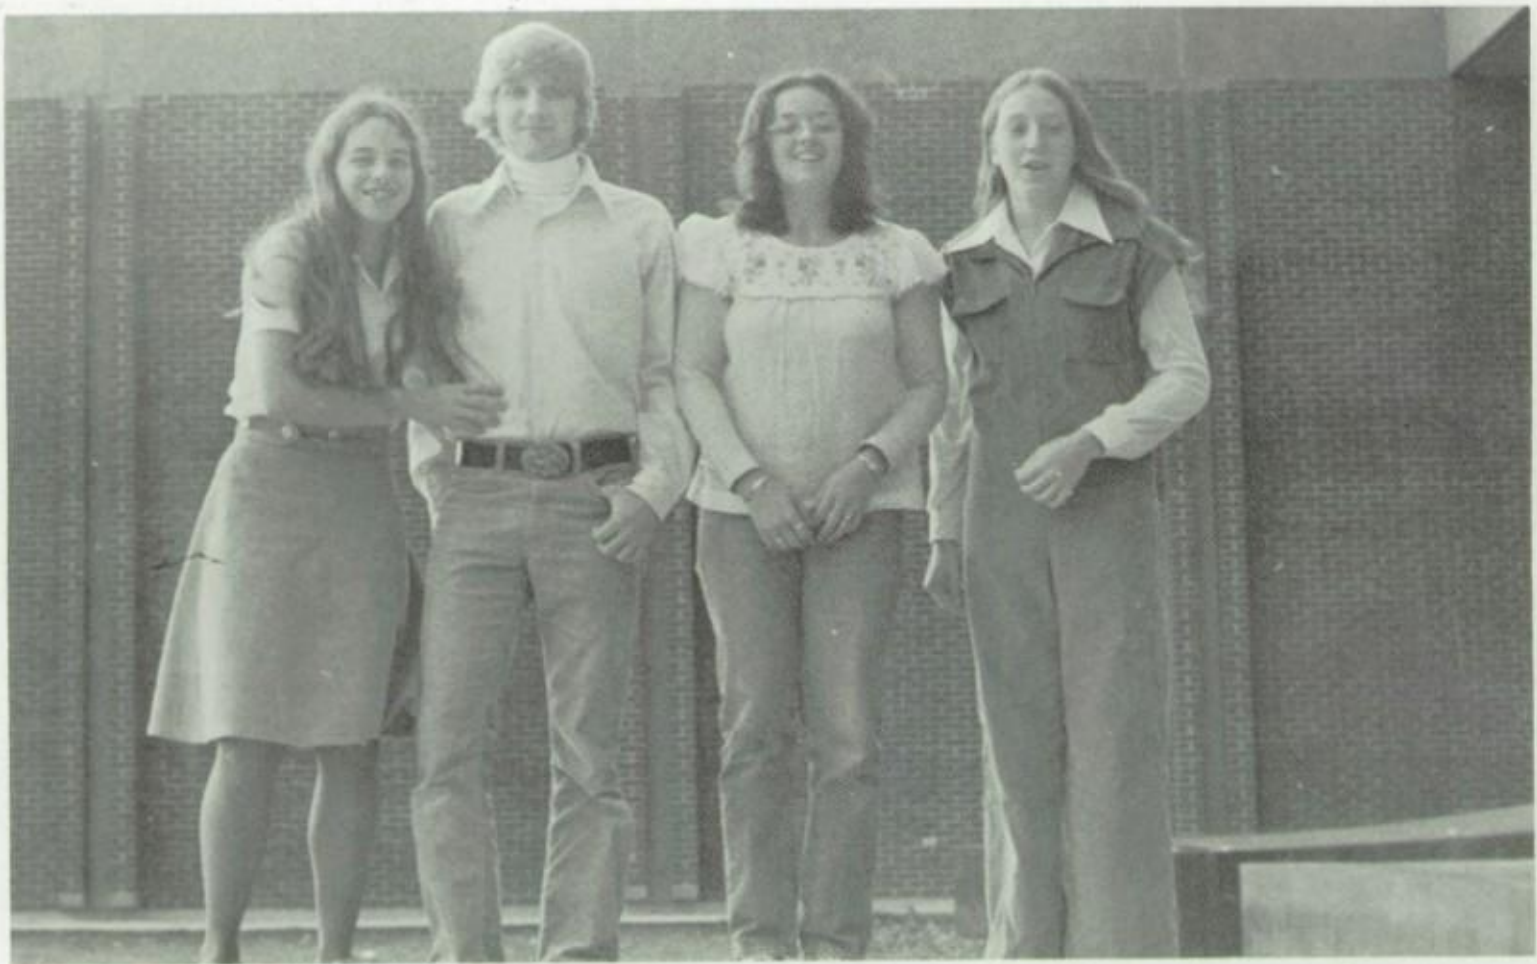

SENIORS

Every Senior has had to make many decisions in the last 6 years about which path to take after graduation. Hopefully, each senior will choose the right path to success.
Good Luck!

A stringless guitar??

A new dance?

Michael Allen Smith

We remember Mike
as the person he was:
understanding and respectful,
quiet and easygoing;
and we all know it's because
he was our friend.

We'll not forget him;
for many of us he was
the first close companion
that we had felt depart,
and we hurt in our hearts.

But we know he is happy now,
wherever he may be;
and time has made us feel much less
the emptiness
we felt for losing Mike.

Pat Thomas and Terry Rule

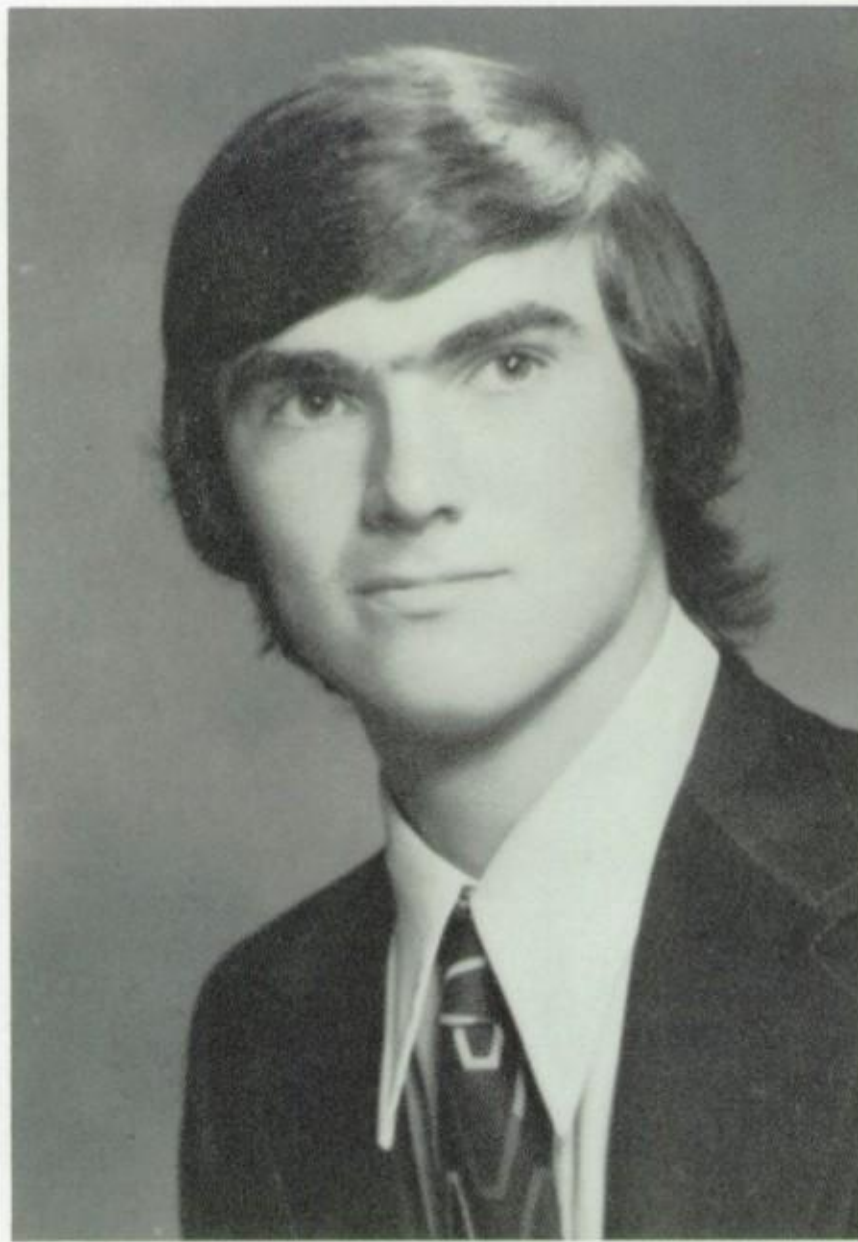

Eric Lee Carpenter

Eric was an athlete,
Concerned for those he knew.
His smile brightened the day,
And he liked to joke, too.
He was a friend to all
Of us he came to know -
He shared in our times of
Happiness and sorrow.

Time cannot bend the line
Which God has writ for us.
Live the way he has lived,
The way he felt we must:
Partly for tomorrow,
For it may never come,
But mostly for today,
Before our life is done.

Yvonne Hallock

Harvey Phillips Apgar

I remember the fun
that we always had,
and when I think back,
it makes me sad.

We would go out
and laugh all night.
When we were down,
Harv made it all right.

To everyone he was more
than just another friend.
We all liked him so,
right up to the end.

Our memories of Harv
still stick in our mind;
he certainly was
one of a kind.

Ann Majarian

Rene Edmund Higbee

There comes a time when all of our
Hopes and dreams fade,
When things that are so very plain
Become an awful pain,
And hard to explain.

People come and people go,
But in our hearts we'll always know
That he's a part.

Up with the sun he comes,
Full of fun,
But you could always tell that deep down inside
Were feelings for people that he couldn't always hide.

His feelings may not always have shown above,
But we know he had many feelings of love
For all living things.

The things we have,
The things we love
Are special blessings
From above.

Class Devils - John and Ginny

Mr. Connolly Addresses the Seniors

Congratulations! Each of you should take pride in your accomplishments. There have been many obstacles met and conquered during your years in school, and IF you are satisfied with your accomplishments, then be proud of your diploma. The true test of your diploma - the skills and knowledges that you have gained - is yet to be tested. Whether you have properly prepared for college, for employment, or for your adult years remains to be seen.

I would hope many wishes for each of you, but perhaps the most important wish, that each would continue with your education. This does not necessarily mean "college," but equally to any vocational or training program and self-study course. Continue your education - we have only touched the surface - there is much left for you to do.

Finally, enjoy being yourself - do not pretend to be someone that isn't you. There will continue to be obstacles confronting you, but I am sure you'll again meet the challenges.

Continued successes with your chosen goals.

Mr. Hall Addresses the Seniors

1977 marks the bicentennial year of the State of Vermont. It might be well to reflect on one of your fellow Vermonters whose ideas and ideals have touched millions of lives around the world. His name was Paul Harris, the founder of an international organization dedicated to service to his fellow man around the world. The dimensions of the service are designed yearly by the ever emerging membership of the group. Upon your graduation, I offer you these words that were written by one of the members of Paul Harris' group.

I Like This Shape

"At one time, SQUARE was one of the finest words in the English language. It was indeed among the 'top 10' of any lexicographer's hit-parade.

"You gave a man a SQUARE deal if you were honest and straight-forward

"You gave him a SQUARE meal when he was hungry

"You stood four-SQUARE for the right as you saw it and SQUARE against everything else You got out of debt, and you were SQUARE with the world. And that was when you could look your fellow men SQUARE in the eye

"But suddenly something happened. A lot of peculiar characters got hold of this honest, fine word and bent it all out of shape. Now everyone knows what a 'SQUARE' is: He is the man who never learned to get away with it. He is the fellow who volunteers when he doesn't have to. He is that strange (?) guy who gets his kicks from trying to do something better than anyone else did. That Simpleton who gets so lost in his work that he has to be reminded to go home

"Well, when you think about it, even when they try to change the context, SQUARE isn't a bad shape to be in"

I challenge you to apply Paul Harris' ideals as you go forth from school into the community. Exercise your rights as a citizen and shoulder your share of the responsibilities by serving in your community, state, and nation so that you will be able to transfer our heritage to the youth of the future.

Good luck and best wishes in all of your endeavors.

Keith L. Hall

ARTS

The Eagle, besides being our mascot, has many meanings. It is agile, powerful, and is the reigning power throughout the land. Yet its judgment is fair and wise, never brutal.

Junior High Soccer

At first, the Junior High soccer team had a lot of members, but few hung in throughout the season.

Even with just a few members, we ended the season with a fine record of 2-4.

First row: S. Farr, J. Gordon, B. Knox, J. Forgues, D. Cousino, S. Connolly, D. Boisvert, D. Lattrell. Second row: S. Cousino, J. Dike, B. Martin, F. Kurek, M. Hubbell, M. Cook, J. Lattrell, D. Robidoux, J. Forgues. Third row: Mr. Bye.

Junior Varsity Soccer

First row: S. Short, B. Cpusino, R. Pixley, C. Forgues, D. Huizenga, M. Prime, S. Hartman, M. Thomas, B. Wimett. Second row: Coach Desorda, D. Stetson, A. Huizenga, D. Stetson, R. Marceille, J. Peabody, L. Marceille, F. Diette, R. Butler, G. Campbell, B. Steadman, T. LaFlam, J. Boisvert, Manager.

The J.V. soccer team had a record of 4-9-1. We had a lot of skillful athletes this year, but we just couldn't put it all together. We are looking forward to a better season next year. We are also hoping for many new faces.

Varsity Soccer

First row: J. Betz, T. Jipner, Co-Captains. Second row: D. Ingram, R. Martinez, D. Manley, B. O'Bryan, G. Sherwin, B. Norris, R. Baker, B. LaVigne, M. Wilson. Third row: R. James, P. Cassarino, R. Forgues, M. Barsalou, G. Sherman, L. Steady, V. Jipner, D. Wendel, S. Barsalou, J. Parks, Coach Curtis. Absentees: J. Jette, R. Smith.

The Varsity soccer team ended its season with a record of 4-7-2, despite the outstanding playing of every member. Many people blame the lack of wins to the "Mt. Abe Curse," which has hit the soccer team quite often the last couple of years.

Junior High Field Hockey

The Junior High girls field hockey team had its first season with competition this year and did very well. We played four games and lost the first two, but through hard work and determination, we won our last two games. Now everyone is looking forward to the 1977 hockey season.

First row: P. Bird, P. Strickholm, W. Danyow. Second row: S. Wimett, J. Vaughn, T. Hier, M. Snellgrove. Third row: Coach Kosiba, K. Wisell, T. Hallock, C. Compagna, L. Sherman, T. Hubbel. Absentees: J. Tatro, S. Little, D. Paquette, H. Weston, B. Peabody, S. Farr.

Junior Varsity Field Hockey

This year's J.V. field hockey team was a complete success. We had 23 members and 16 of us were beginners. Both our offense and defense were played well and we had a great team effort. We finished the season with a record of 5-2-3.

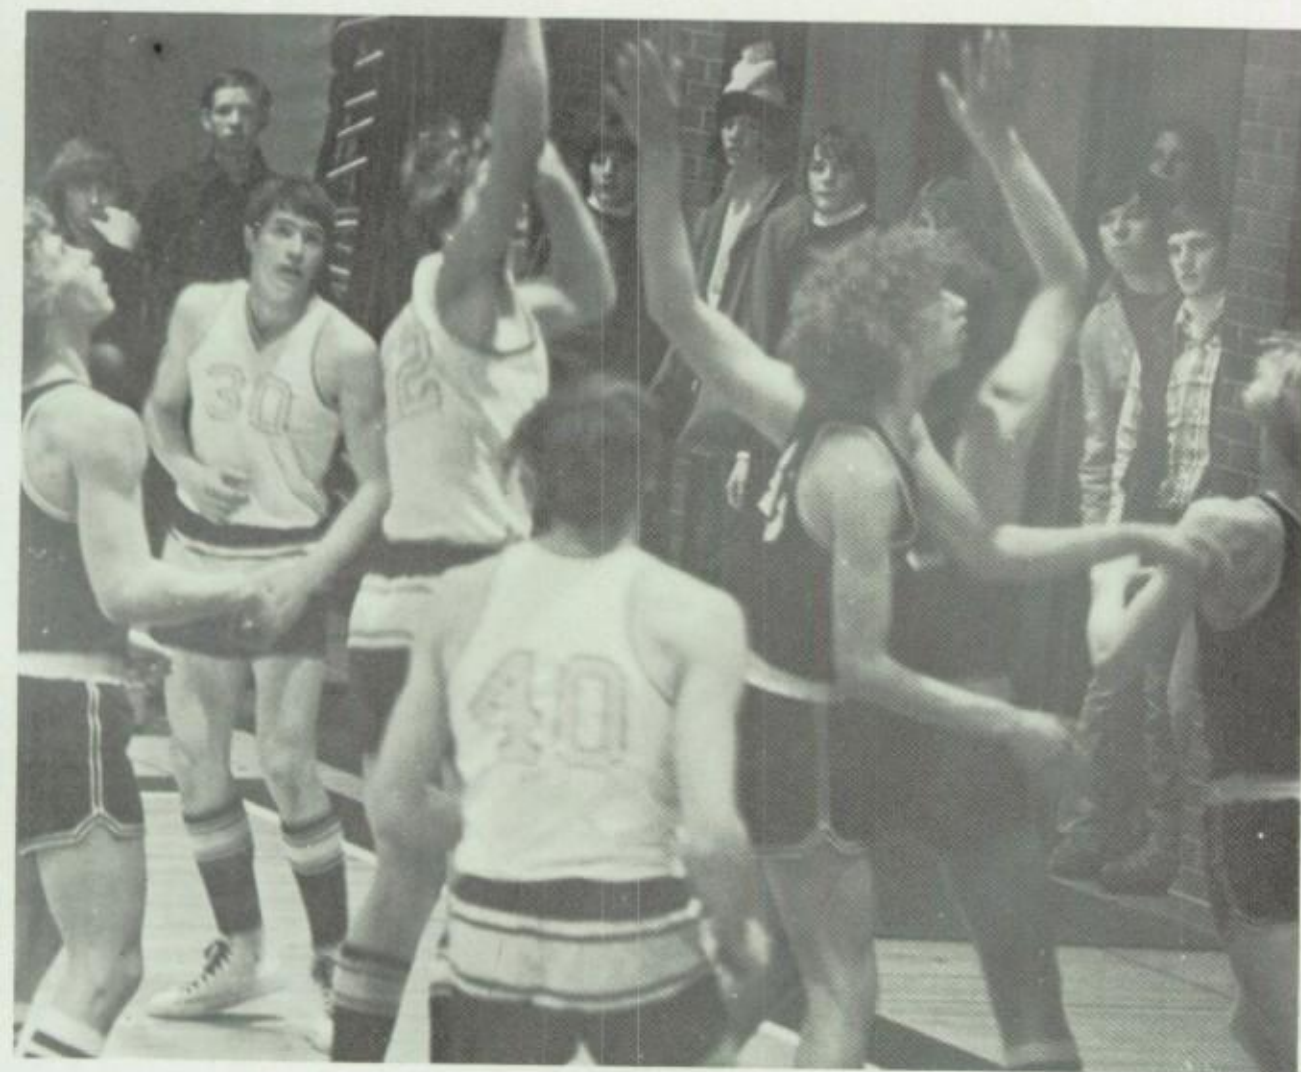

First row: L. Griggs, K. McIntyre, T. Rockwood, K. Steady, D. Larrow, M. Betz, W. Sherwin. Second row: K. Steady, S. Hatstat, M. Betz, P. Apgar, M. Bird, S. LaFoy, J. Tighe, S. Williams, Coach Pellegrini. Third row: Manager L. Lee, L. Durivage, M. Palmer, P. Parks, S. Weston, M. Acker, J. Dion, C. Acker, K. Smith.

The senior members of the varsity field hockey team will leave with many pleasant memories: the locker room jokes, the crowded messy lockers, the practices and the victorious feeling after winning a game. We made it to the play-offs, thanks to the coaching of Mrs. Rice, but lost to Fair Haven. This last bus ride back to Mt. Abe was very quiet, as the team realized they had played their last game together. Each team member has her own personal memories which will be with her for a long time. Thanks and Good Luck to next year's varsity field hockey Team from all the seniors.

Varsity Field Hockey

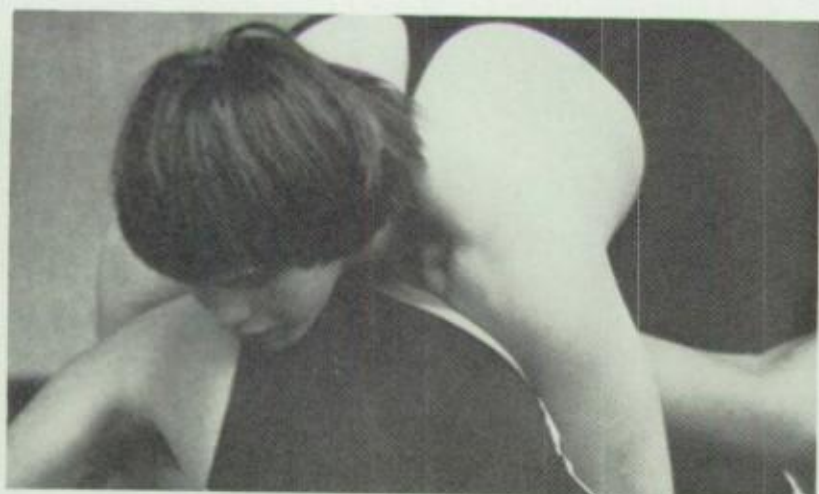

First row: J. Steady, S. LaMothe. Second row: C. Apgar, J. Dion, L. Rheaume, J. Dion, J. Acker, D. Noble, B. Rockwood, J. Glen, P. Betz. Third row: Mrs. Rice, J. Campbell, L. Diette, C. Bryden, S. Stetson, C. Burke, N. Tighe. Absentee: B. Lavigne.

Please, please don't leave me!

Junior Varsity Basketball

The J.V. girls had a pretty good season this year. Our record was 8-7 in the league and 10-7 overall. We beat Colchester, Winooski, and Vergennes twice each and B.F.A. once. Our games with Mississquoi, Mt. Mansfield, Milton, and our last Harwood game were all very close and exciting. We all had a lot of fun, and we learned a great deal. Many thanks to Coach Maloney.

First row: T. Rockwood. Second row: Coach Maloney, M. Betz, C. Acker, L. Lee, C. Burke, J. Dion, S. Williams, M. Acker, M. Bird, L. Choiniere, M. Palmer, W. Sherwin, S. Cook, Manager.

Junior High Basketball

The Junior High girls basketball team started out with approximately 30 players. However, by the end of the season there were only 12 members. All the girls showed much improvement and spirit. The whole team put in a lot of hard work; turning in a record of 1-6.

First row: R. Masterson, J. Tatro, C. Hoag, D. Paquette, C. Place. Second row: W. Danyow, V. Merrill, M. Pechie, S. Little, L. Sherman, S. Farr, C. Masse, D. Shand. Third row: P. Bird, L. Cook, T. Hallock, D. Heffernan, S. Pechie, V. Brace, S. Laburge, P. Strickholm, N. Lathrop.

Varsity Basketball

First row: M. Herriman. Second row: Coach Paterson, B. Laigne, C. Evarts, J. Acker, R. Herriman, S. Stetson, L. Diette, K. Smith, D. Noble, B. Rockwood, L. Rheaume. Absentees: Managers E. Svrcek, J. Smith.

The girl's varsity basketball team had a great year. We didn't make the playoffs, but we missed them by only one game. Our record was 7 and 12, the second best in the school history. We're really proud of the way we played this year. We hope to be an even stronger team next year, with all but one member returning. We would like to thank all the spectators who came to cheer us on; it helped tremendously.

Varsity Basketball

Coach Desorda; J. Boisvert, Manager; D. Wendel; S. Barsalou; R. Forgues; L. Steady; R. Sargent; M. Pixley; T. Jipner; J. Jette; J. Sherman; J. Betz; V. Jipner; V. Choiniere; R. James; Manager.

This past year's basketball team was one of the better ones in the league. Team co-captains were Vint Choiniere and Todd Jipner who led it through a 14-6 season. The team was helped out by the bench many times. Loren Steady, Vaughn Jipner, and Jerry Sherman, all Juniors, played a big part. Seniors John Betz and Richard Sargent also played a big role coming off the bench. The starting five of Mike Pixley and Jim Jette as forwards, Todd Jipner at center, and Steve Barsalou and Vint Choiniere as guards, all had a good year. Coach Desorda in his first year as varsity coach had a very good season. As a whole, the year was a great success for all who were involved.

Junior Varsity Basketball

Although our junior varsity boys basketball team had a tough time winning games, the coach and everyone on the team felt that they had improved a lot over the season. The loss of starter Marc Barsalou, who had a broken thumb near the end of the season, made it tougher for the team, but it gave the younger members a chance for experience.

First row: M. Barsalou, C. Forgues. Second row: Coach Curtis, D. Stetson, J. Peabody, S. Short, R. Pixley, B. Merrill, M. Barrows, D. Stetson, A. Huizenga, Manager B. Wimet. Absentee: D. Huizenga.

Basketball Cheerleaders

This year the boys' varsity and junior varsity basketball cheerleaders combined to form one squad to cheer on the boys varsity basketball team. It was made up mainly of juniors, with one senior and one sophomore. Many new cheers were added to help spur the boys on to victory.

First row: F. Preston, S. Livingston. Second row: B. Root, S. Heeter, V. Quenneville, M. Morrissey, E. Danany. Third row: J. Fryer, C. Saunders, A. Majarian. Coach: Mrs. Brewer.

Junior High Basketball

First row: D. Patterson, P. Latterelle, K. Smith, S. Betz, B. Heffernan. Second row: J. Forgues, M. Rainville, D. Jones, S. Connolly, M. Cook, F. Kureck, P. Barrows, J. Friend, B. Dike. Third row: S. Farr, J. Gordon, B. Knox, T. Forgues, R. Sargent, L. Laferge, P. Summer, Coach Blaise.

Even though the Junior High boys basketball team had a poor record (0-7), they showed great spirit, determination, and sportsmanship.

Coach Alan Blaise attempted to play all 18 boys as often as possible.

Our thanks to Mr. Blaise for his hard work, patience, and understanding. Unfortunately the team received little support from the student body.

Junior High Cheerleaders

First row: C. Roy, M. Bouvier, P. Booska. Second row: C. Compagna, K. Weber, D. Bennett.

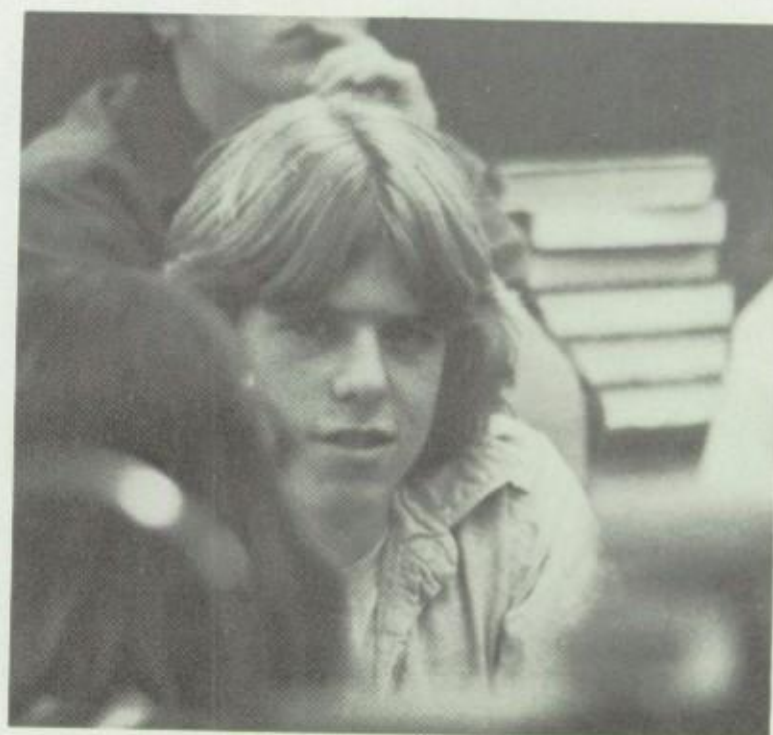

The Junior High cheerleaders put in a lot of effort this year, and their effort was greatly appreciated by the team.

"Sure, Loren, tell us another one!"

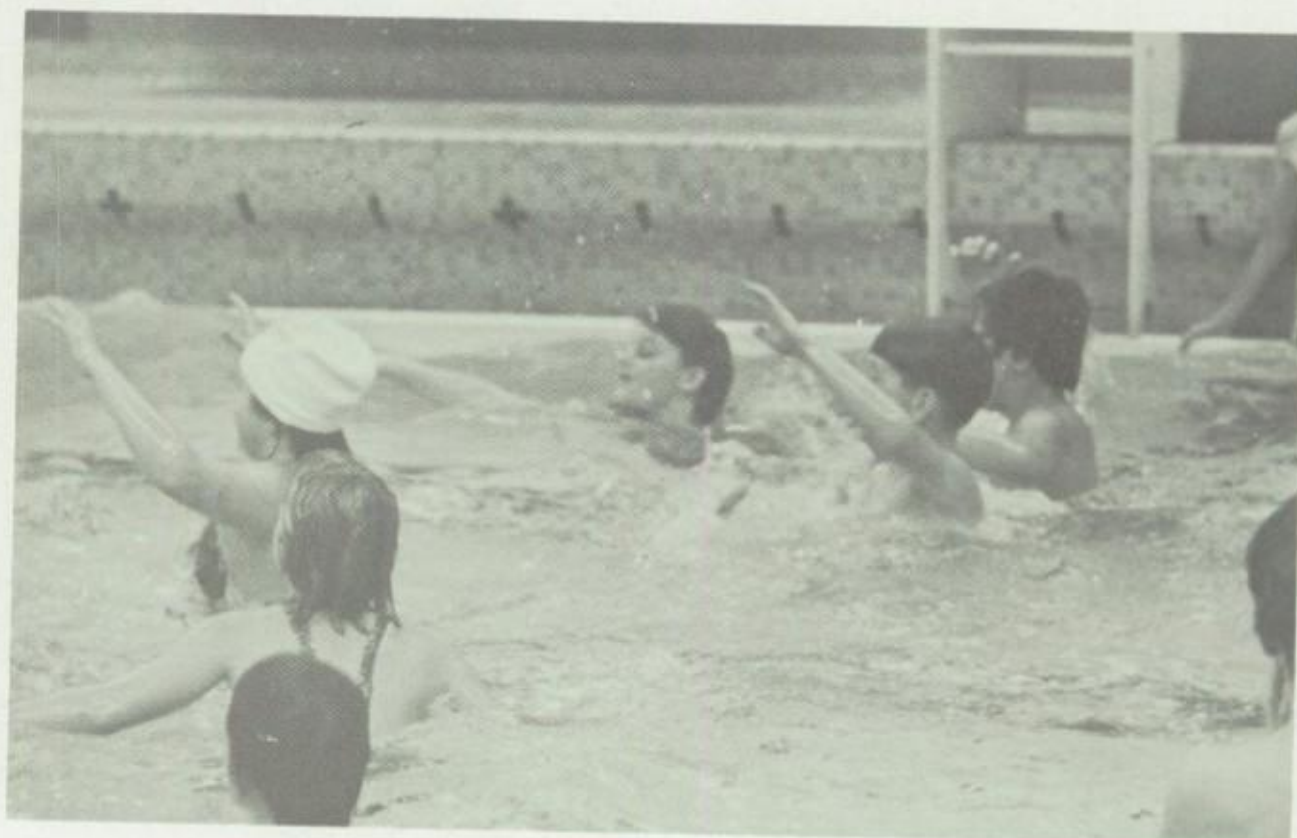

"Aaaaaay!!!"

"Do you really BELIEVE that?"

"... stretch your lovin' arms right
out in space. . . ."

Wrestling Cheerleaders

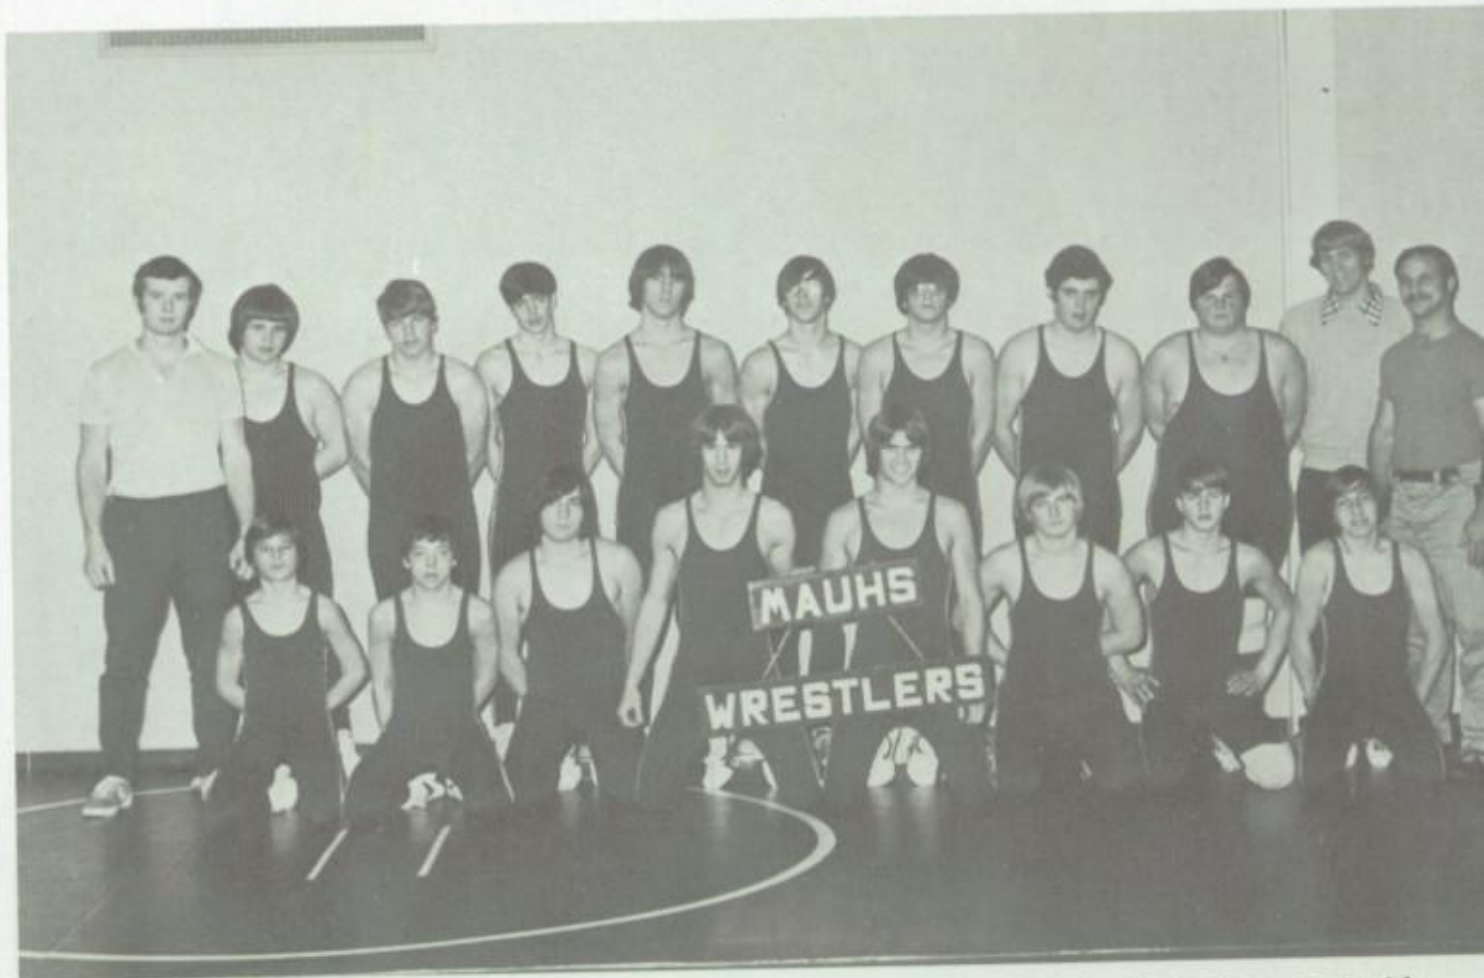

The Wrestling Cheerleaders supported our team by helping set up before each home meet, keep their spirits up and cheer them on.

Kneeling: R. Kimball, K. McIntyre. Standing: N. Lafoy, D. Tuttle, G. Eseltine, R. Prescott. Third row: Mrs. Brewer. Absentee: Denise Bourgeois. Alternate: Patty Cyr.

Wrestling Team

The Eagle wrestling team faced a rebuilding year in 1976-77. Leading the team was Captain Bill O'Bryan, who placed third at 138 in the 1976 State Tourney and second in the Middlebury Tournament. Other winners were heavyweight Tim Boise, James Bachand, Gary Smith, and Craig Smith. Departing seniors are Bill O'Bryan, Tim Boise, Chip Futtere, and Craig Parks. Assisting Mr. Rader and Mr. Cousino was Trainer Tom DeWitt.

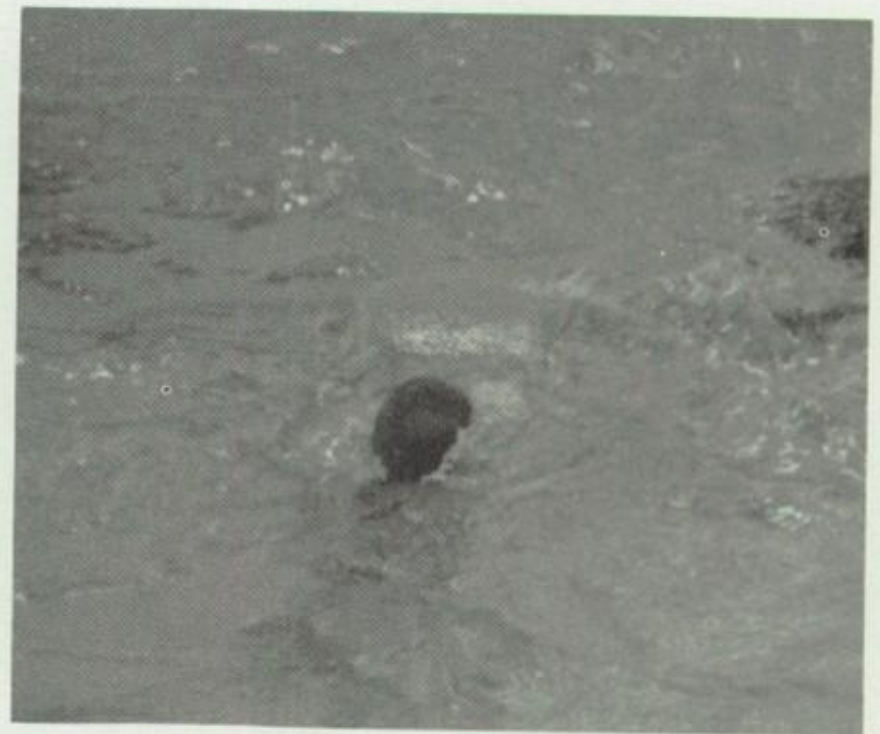

Kneeling: M. Futtere, T. LaFlam, G. Smith, B. O'Bryan, B. Bachand, C. Parks, L. DeMers, C. Smith. Standing: Coach Cousino, J. Bachand, M. Prime, M. George, M. Thomas, N. Quenneville, J. Burt, R. Smith, T. Boise, Trainer Dewitt, Coach Rader. Absentee: C. Futtere.

Swim Team

First row: C. Bryden, J. Dion, J. Steady, G. McKinnon, B. Barlow, M. Hoff, B. Peabody, C. Ingram, S. Farr, J. Tatro, L. Sherman, B. Foote, M. Snelgrove, B. Foote. Second row: L. Benner, T. Hier, K. Steady, M. Betz, H. Weston, D. Heffernan, D. Ingram, B. Heffernan, B. Fuller, D. Benway, J. Deale, M. Snelgrove. Third row: Coach Cotter, S. Weston, J. Glen, M. Gilley, J. Gordon, R. Foote, R. Latrop, J. Glen, J. Heffernan, J. Campbell, B. Derosa, G. Sherwin, B. Benner. Absentee: L. Durivage.

This year Mt. Abe was part of a county swim team with members from the Addison County area. Our record was 2-4. The team did well considering the small number of Senior High students that went out for it.

"Dear Ann Landers: . . ."

"My fellow Americans . . ."

"So that's how they do it!"

"Lunchtime, Mr. Pellegrini?"

UNDERCLASSMEN

All underclassmen, large or small, in whatever way, are joined together every year. They must learn to live together like nature must on the mountains. But they must also decide whether they wish to be a large and powerful mountain or a quiet and weak one.

ORGANIZATIONS

ACTIVITIES....

Christopher Williamson

The friendly unity which is formed through an activity is like a beautiful, peaceful stream. It is as strong as the mighty rivers of the country. It's also as peaceful as the beautiful gurgling of a stream and as united as all the water, rocks, and earth that flow along together in any stream.

Student Senate

The Student Senate this year has been trying to improve the spirit among our students. The officers of the Senate attended a Vermont Regional Student Council Conference where they got together with students from other schools. They learned about the activities of other schools and came back with some new ideas.

Senate members sold records at discount prices as a way to raise money for student projects.

The Senate is working to enhance the cultural atmosphere of Mt. Abraham. Some possible happenings are concerts of varying style and exposure to various forms of art, such as sculpture, painting, clay and mime.

First row: K. Steady, D. Stetson. Second row: M. Bird, S. Thompson, N. Tighe, P. Betz, L. Steady, G. Sherwin, Mr. Bye.

Varsity Club

It was our objective this year to get more people involved in the activities of the Varsity Club. We worked hard to make the Winter Carnival different from past years. As a club, we established a better understanding of what the Varsity Club should be.

International Fellowship Club

Every year the I.F.S. raises money to send a student to live in a foreign country and to have a student from another country come here. This year a Junior, Tiana Wendland, is staying in Bogata, Columbia. We have been privileged to have Raul Martinez from Monterrey, Mexico come here to stay with us. He is living with the Bakers in Monkton.

The chapter has been involved with many projects: citrus fruit sales, seed sales, herd health banquet, contests in land judging, fall carnival, spring carnival, Vermont Farm Show, farm management contest and parliamentary procedure contest.

C. Parks, A. Mierop.

This year's band is composed of fifty members. Music of all types is played to expose the students to various kinds of this art form.

Not only is the band a concert band, but it is also a marching band.

Within the band there are different organizations, such as: the wind ensemble, the sax ensemble, the stage band, and the pep band.

Along with the Christmas, Spring, and Graduation Concerts which are performed each year, the band had an exchange program with Oshawa, Ontario, in Canada. This was very successful and was enjoyed by all.

A. V. Technicians

We in the Audio Visual Department deliver equipment to teachers. We also repair as much as we can, feeling that this is good training for the future.

The DUO Program

The 1976-77 school year has been a successful one for the D.U.O. program. It also has been one of change. Many new students and projects were part of D.U.O. this year. These projects reflect the purpose of D.U.O. - service being done to others while getting credit for the projects. Activities being done included running the MT. ECHO, tutoring, working in kindergartens, helping with physical education, bookkeeping for a business establishment, and Emergency Room work.

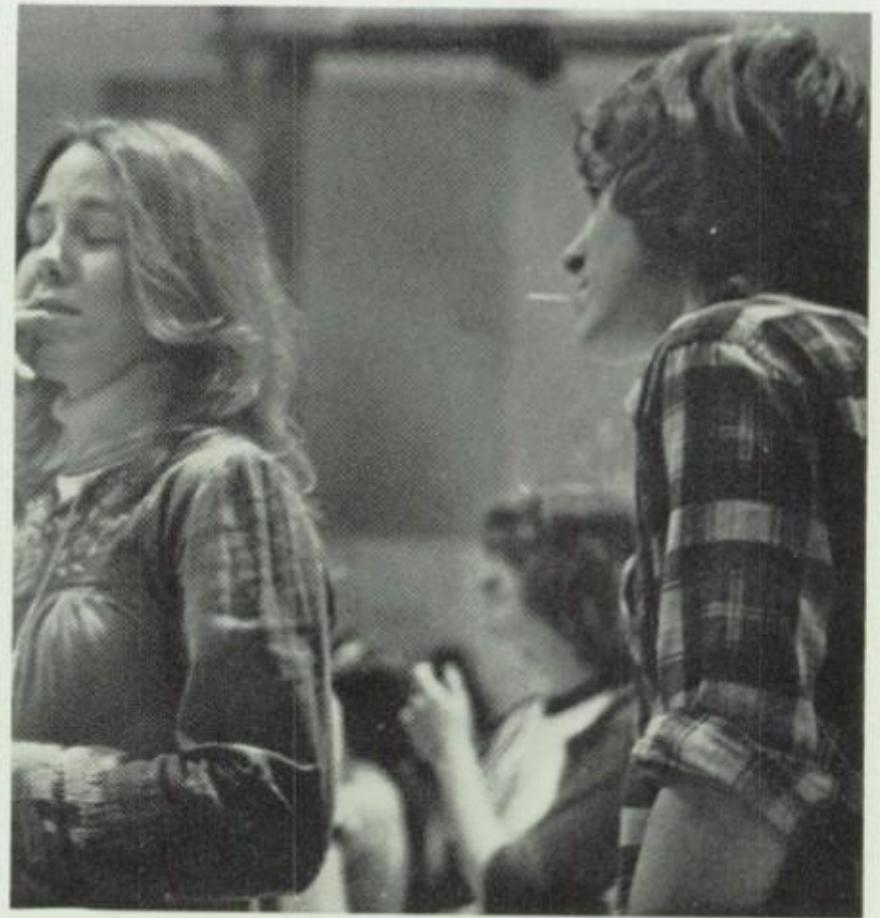

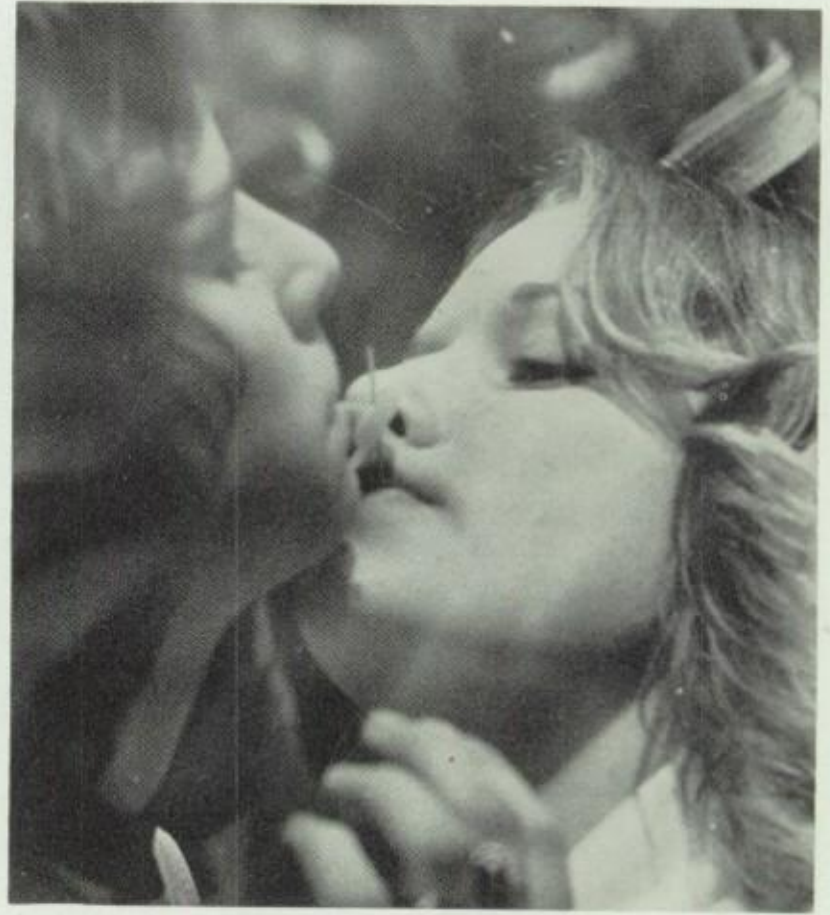

The D.U.O. committee is made up of faculty, students, and community members. They oversee the program and act as advisers.

We are looking forward to being as active in student participation in next year's D.U.O. program as we have been this year.

Peter Straub, D.U.O. Coordinator

Editor's Note . . .

This year the Aerie staff tried to break some of the old yearbook traditions so that our book would be unique. I hope that the student body feels the same way.

There are many people who deserve special recognition for their work on the yearbook: Joanne Dion for her greatly appreciated work as Business Manager; Pat Thomas for his wonderful help as Layout Editor; Chris Williamson, Jeanne Acker and Sally Stetson for their excellent artwork; and Tom Jones for his fine job as Photography Editor. Mr. Morgan and Glen Sherwin deserve special thanks for their superb work in the dark-room. I wish to thank Mrs. Brennan many times over for her unending help during all our meetings. The whole yearbook staff deserves a special thanks for their total dedication and cooperation on the book. To Beth Peabody I can only wish the best of luck as Editor of the 1978 AERIE.

ADS

The ad section is as important a part of the book as any other, for without the help of these businesses and friends, there would be no yearbook. We'd like to extend our deepest gratitude and appreciation to the following businesses and friends. THANKS!
